

# Vieux Bourgogne

LIMESTONE | ANCIENT™ & ARTISAN ANTIQUED™

It is increasingly difficult to acquire genuine reclaimed flagstones, but this rustic French limestone has an authentic ancient finish that replicates all of the qualities of originals along with complete practicality and sustainability of supply. The mixed widths and random lengths pattern helps to reinforce the traditional, natural look of an authentic age-worn floor.

We take our ancient-finished Vieux Bourgogne a step further with our proprietary Antiqued™ technique. A unique, handworked finish devised by the artisans bespoke workshop, this is one for the purists – a time-worn look that is virtually indistinguishable from reclaimed stone.

Suitability: Domestic/light commercial interior floors, sealing required
