

Purbeck

ENGLISH LIMESTONE | RECOMMENDED FINISHES: RIVEN, RUSTIC HONED

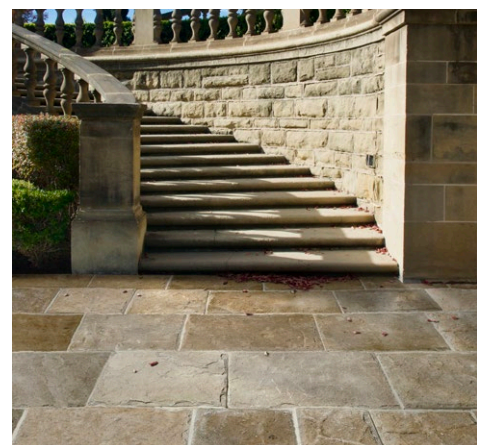

An exceptionally hardy limestone with a soft blend of beige and greige tones, Purbeck Limestone is quarried in Dorset. The traditional riven finish gives a naturally textured surface and offers many years of character.

Suitability: External paving, pool surrounds, sealing required

Product Notes

Riven Cobbles and Pitchers can also be used for walling.

Please note that due to the riven finish, all riven products will vary in thickness. A suitably thick adhesive/mortar bed must be allowed for, and there will always be a certain amount of lipping.
