REAL TERRAZZO | HONED

First popularised during the Renaissance, terrazzo tiles have never lost their natural yet colourful appeal. As the birthplace of modern terrazzo, we have named the colours of our Vinci Real Terrazzo range after famous areas and landmarks in Venice. Available as tiles or in an extra-large slab format for bespoke projects, Vinci is made from recycled and waste marble materials making it as sustainable as it is beautiful.

Suitability: Domestic/light commercial interior floors, sealing required
