

## TECHNICAL DATA SHEET – DEEP CLEAN – JAN 2017

### DEEP CLEAN

**Heavy Duty Intensive Cleaner**  
**For interior & exterior use**  
**Removes ground in dirt and grime.**

Suitable for all types of natural and artificial stone, porcelain, terracotta, masonry, encaustics and concrete.

Effective for removing oil, grease, ingrained dirt grime and old wax layers.

**Important** - Test the solution on an inconspicuous area before general application. Mask and protect painted surfaces, untreated wood and other sensitive areas. Rinse off overspray. Any alkalinity remaining on surfaces treated with this product should be completely neutralised. This may be done with a little clean water applied by sponge.

### Directions for use

***In mild cases and on absorbent surfaces:***

Dilute one part **Stone Essentials Deep Clean** in 10 parts warm water. Apply with a cloth or mop. Wipe off thoroughly with a clean damp cloth.

***In more severe cases:***

Dilute one part **Stone Essentials Deep Clean** in 3 parts warm water. Apply liberally, spreading over the surface. If necessary agitate with a stiff brush or emulsifying pad. Leave to react for 5-10 minutes, keeping wet with additional solution. Agitate surface again, mop up and rinse thoroughly with clean water.

***In extremely severe cases:***

Use undiluted and agitate with scrubbing brush or mechanical scrubber if necessary. Rinse surface repeatedly with clean water after use.

### Coverage

(approx.)

	1 L	5 L
Surface cleaning	50m <sup>2</sup>	250m <sup>2</sup>
Deep stripping	20m <sup>2</sup>	100m <sup>2</sup>
In extreme cases	10m <sup>2</sup>	50m <sup>2</sup>

### Storage information

Store in a cool, dry, frost-free environment in closed container. Shelf life up to 2 years.

*This information is offered without guarantee. The material should be used so as to take account of the local conditions and the surfaces to be treated. In case of doubt, the product should be tried out in an inconspicuous area*

### Notes:

This product should not be used for every day cleaning of surfaces that have been sealed.

Cleaned surfaces that have been previously sealed should be re-sealed after using this product. This should be done after rinsing with plenty of clean water and once surfaces have had sufficient time to thoroughly dry (min 24hrs).

### Health & Safety

**Causes skin irritation. Causes serious eye irritation**

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash hands thoroughly after handling. Wear protective gloves and eye protection. IF ON SKIN: Wash with plenty of water/soap. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical attention. If eye irritation persists: Get medical attention. Take off contaminated clothing. Dispose of contents/container in accordance with local regulations.

WARNING

**Contains:** <5% non ionic surfactants, phosphates.
